WINTER/SPRING 2008 YOUTH PRODUCTION – SEUSSICAL!

This magnificent musical stars all of your favorite Dr. Seuss characters, including The Cat in the Hat, The Grinch, Horton the Elephant, and all of the Whos of Whoville! The classic, colorful tales of Dr. Seuss are seamlessly brought together by Jojo, a young boy and “thinker of strange and wonderful things”! As each story unfolds you will marvel at how relevant and profound Seuss’s subtle themes are, making this musical one that appeals to all ages.

There will be a required meeting, for those parents who have never attended a Roberta Jones Junior Theatre parent meeting, on Saturday, January 12, 2:30-3:30 p.m. at the Community Recreation Center.

All children, ages 8-18, are invited to audition. Everyone who auditions will be cast in the show! Those who audition should come prepared to read from the script provided and to sing a song of your own choice. Please choose a song from traditional musical theatre (no pop/top 40) and bring sheet music in your key. An accompanist will be provided, or you may bring a CD or cassette (music only – no vocals). A CD/cassette player will be provided. Please come dressed to dance, and wear appropriate, closed-toe shoes – no sandals!

Cast members are responsible for providing their own costumes (which include black, soft-soled shoes) and stage make-up. Parents are required to serve on a production committee (about a 5-hour commitment). Details will be provided at the auditions.

Free Audition Workshop: Anyone who will be auditioning for *Seussical* is invited to attend a special, free Audition Workshop on Friday, January 4 from 4:30 p.m.-6:30 p.m., at the Community Recreation Center. This is a great opportunity for actors to get help choosing and preparing audition songs, and to get tips on how to have a successful audition.

Auditions and most rehearsals will be at the Community Recreation Center.

Technical/dress rehearsals and performances will be at the Mission City CPA, 3250 Monroe Street (at Wilcox High School).

Auditions: January 8 and 9, 3:30-7:00 pm (choose one date)
Please arrive at 3:30 pm and plan on staying until 7:00 pm.

Callbacks: January 10, 4:00-7:00 pm

This year, we are adding dancing to some of our songs, with easy, fun choreography. The “Sing for Joy” participants will perform at special events in the fall of 2008. Also, the final class will be a performance for family and friends.

POINTE BALLET - BEGINNING

This beginning pointe class is an exciting opportunity for dancers to improve their technical capabilities while learning what the world of classical ballet has to offer, at an advanced level. Begin with ankle

strengthening exercises in pointe shoes, and progress into more challenging technical steps. Dancers will learn all about how to properly use pointe shoes, protect their toes, and most importantly, what it feels like to be a ballerina. This course should be taken in addition to a regularly scheduled ballet class. This is an advanced course; instructor approval is required before enrolling. Instructor - Kimberly Davey

PRE-POINTE BALLET

This class is for dancers who are already taking another ballet class and wishing to begin pointe work in the next year or two. It will entail strengthening of the ankles, calves, and upper body, so as to prepare for the technical challenges that will come with beginning pointe work. Instructor - Kimberly Davey

TINY TOTS BALLET

This class, which was developed specifically for younger children, uses props and lots of fun music while introducing ballet skills. This is not a parent participation class. Instructor - Linnea Sheehy

NEW! BROOKS ISLAND KAYAK TRIP

Brooks Island in San Francisco Bay is a "secret" spot - a bird refuge and a regional park in the shadow of Point Richmond. The island is home to a tern and heron colony and is an important stop for many migratory birds visiting San Francisco Bay. Spring is a great time to watch the terns forage over the Bay and return to the colony with food. As one of the few undeveloped islands in the Bay, the East Bay Regional Parks designated it a park in the 1960's to protect the historical and biological resources. The sheltered waters between the mainland offers protected paddling and picturesque views of the island and SF Bay. We'll have lunch on the island sand pit and then paddle home with the wind at our back. Participants under 18 must register with and be accompanied by an adult. Instructor - G. Meyer, Great Expeditions

This is a relaxed trip, perfect for beginners, families, and bird watchers. A Kayak Equipment materials fee of \$50 per person is payable on the day of class for kayak rental and paddling gear. You will be asked to sign a release form before the trip starts. Please bring a sack lunch the day of the trip. Participants under 18 must register with and be accompanied by an adult. On this adventurous day trip we will discuss how to be prepared for outdoor emergencies, what to do if you are lost, and how to make the best of a potentially bad situation. We will look at what gear is essential for comfortable hiking, spend a little time with the map and compass, and address the basic needs of all outdoor users. WADDELL CREEK SPRING WILDFLOWERS HIKE

Waddell Creek flows off the western slope of the Santa Cruz Mountains into a broad valley that empties onto the coast. Lined with a stately streamside forest, this section of Big Basin State Park makes for an excellent hike along nearly flat terrain looking for spring wildflowers. In addition to the wonderful vegetation, animal life is rich here also. We'll look for mammal tracks, watch for migrating birds, and search the creek for amphibians. The uncommon giant salamander and the beautiful California newt both breed here, and we will look for several other species of frogs and salamanders also. Join us for a wonderful day hiking the riparian forest of Waddell Creek. We will walk a total of 4 miles on a trail along the edge of Waddell Creek in Big Basin State Park; 2 miles of the trail will be moderately steep and the other 2 miles flat. Participants under 18 must register with and be accompanied by an adult. Instructor - G. Meyer, Great Expeditions

SOCCER CAMPS

JUST4KICKS SOCCER CAMPS

Just4Kicks, Inc. will conduct developmentally appropriate instructional soccer camps developing skills required for the game of soccer. Each day will focus on a particular aspect of the game of soccer utilizing specifically designated activities. Each activity varies according to age and ability, and is structured to provide every child the opportunity to express themselves and grow at their own rate. The emphasis is on learning and having fun, not winning. Every participant receives a soccer ball, T-shirt, and water bottle. Daylong participants will need to bring a lunch and will enjoy "soccer theme" games as part of the all day activities in addition to a scrimmage at the end of each day.

Coach Tom Vischer and staff bring a wealth of experience, knowledge, and understanding of the game of soccer to Just4Kicks, Inc. In addition, he has thirteen years experience in teaching youth soccer players in the Bay Area. Coach Tom holds an "A" license, the highest license the United States Soccer Federation (the governing body of soccer in America) offers, as well as the national "Y" (youth) license. He also trains local youth teams in the in the area.

SOCCER K/1

Kindergarten and first graders (5-6 years) – Over the course of the camp, players will experience all the fun and excitement soccer has to offer. Running, dribbling, kicking their ball, all with expert guidance and instruction from a Just4Kicks, Inc. staff coach. Every day ends with a small-sided scrimmage culminating with a mini 'World Cup' tournament on Friday. While no score is kept, it mimics the feel of a tournament for the younger kickers.

SOCCER 2/3

Second and third graders (7-8 years) – Over the course of the camp, players will experience all the fun and excitement soccer has to offer. Running, dribbling, kicking their ball, all with expert guidance and instruction from a Just4Kicks, Inc. staff coach. Emphasis still remains on the basic soccer skills utilizing fun soccer activities. Team concepts are presented in small-sided scrimmages culminating with a mini 'World Cup' tournament on Friday.

SOCCER 4/6

Fourth through sixth graders (9-12 years) – Over the course of the camp, players will experience all the fun and excitement soccer has to offer. Running, dribbling, kicking their ball, all with expert guidance and instruction from a Just4Kicks, Inc. staff coach. Individual and team skills are of equal importance at this level. Expectations of each position in a small-sided game format are explained and developed for a truly exceptional soccer experience. Team concepts are presented in small-sided scrimmages culminating with a mini 'World Cup' tournament on Friday.

PRESCHOOL ADVENTURES IN LEARNING

Two outstanding preschool programs are offered during the school year. The curriculum of each program is carefully designed to meet the developing needs of three and four year old children. Two qualified instructors per class provide a student-teacher ratio of 12:1. Parents work in the class at least two to three times during each session. Children must already be potty trained in order to participate.

PRESCHOOL

Classes are held early morning and afternoon, Monday and Wednesday or Tuesday and Thursday, at Westwood Oaks Park, 460 La Herran Drive. Each day consists of circle time, sharing, physical and mental warm-ups, crafts, songs, stories, indoor and outdoor play, and much more. Weekly themes provide the basis for learning and helping each child to feel more comfortable in a school setting and with cooperative play. *Children enrolling must be age 3 on or before December 2.*

Participants enrolled in the Preschool program are given priority to register for the Pre-Kindergarten program.

PRE-KINDERGARTEN

Classes are held early morning and afternoon, Monday, Wednesday and Friday or Tuesday and Thursday, at the Community Recreation Center, 969 Kiely Boulevard. Each day begins with an activity created to get the mind and body ready for learning and exploring. Weekly themes are designed to introduce concepts in language, math, science, and social studies. Emphasis is on development of large and small motor skills, along with appropriate social and listening skills. Activities include music, arts and crafts, free play, number concepts, and much more. *Children enrolling must be age 4 on or before December 2. Program is not for children attending Kindergarten.*

PRESCHOOL PROGRAM POLICIES

- Children must be potty trained by the time classes begin.
- Parents must be willing to work in the classroom at least three times per session. This will be your child's sharing day. If you are unable to work, it is your responsibility to send a representative or contact another parent in the class and trade workdays.
- Children must be able to attend class independently within the first four weeks of class.
- Please contact the Program Supervisor regarding class withdrawal/refund policy.

PRESCHOOL AND PRE-KINDERGARTEN CLASSES ARE CURRENTLY FULL

All classes for the 2007/2008 school year are full with waiting lists. Refer to the upcoming Summer 2008 City of Santa Clara Recreation Activities Guide for class and registration information for the Fall 2008 program. Summer guides will be available on April 17. Call the Community Recreation Center at (408) 615-3140 for more information.

Call Nicole Young at (408) 615-3153 or the Community Recreation Center at (408) 615-3140 if you have questions regarding the Preschool Adventures in Learning program.

GYMNASTICS

Gymnastics classes are held at the Gymnastics Center in Earl Carmichael Park, 3445 Benton Street, located between Pomeroy Avenue and Lawrence Expressway.

The City of Santa Clara has contracted with the California Sports Center (CSC) to provide all the staffing and staff education for the gymnastics program. CSC has an established reputation with many years of experience in the youth sports field in Santa Clara County. CSC currently operates two facilities in San Jose, offering Nationally ranked competitive programs for both boys and girls. The partnership between the City of Santa Clara and CSC provides enhanced instruction, improved equipment, continuous education for coaches, various levels of instruction at convenient times, and gender specific classes that follow current training practices within the sport. Sessions run "back-to-back" to provide continuity in training. For more information about CSC, call (408) 615-3199 or (408) 280-5437. You can also check the website at www.calsportscenter.com or talk to the coaches before or after class. For registration information, call the Community Recreation Center at (408) 615-3140

CITY OF SANTA CLARA PRE-TEAM GYMNASTICS

The Pre-Team class is for participants that have passed Level 4 and are interested in entering a competitive team track. All eligible and interested participants must have received and read "Makings of a Team Member," a document supplied to team members of the CSC. Once ready to begin team development training for Level 5 competitive gymnastics, participants will be included in at least 4 inter-squads with other members of the California Sports Center, and will, when qualified, be allowed and accepted to move up to Level 5 competitive team. This is an annual commitment with a session fee. Additional non-refundable fees are required of participants, including USA Gymnastics registrations and annual assessments for inter-squads and team events. The maximum allowed in the class is nine.

Note: Monday and Wednesday Pre-Team classes are held at the California Sports Center, 336 Race Street in San Jose. Friday classes are held at the Gymnastics Center, 3445 Benton Street in Santa Clara.

Levels of Instruction

Parent-Tot – Basic movement classes structured around gymnastics activities for young children, 18 months to 3 years of age, that are not quite ready to go it alone. Parents are required to participate and should be dressed appropriately for activity. No other children are allowed in the facility during class.

Tiny Tots – An introduction to all the gymnastics apparatus will be utilized, with an emphasis on creative movement activities and organized circuit play. Instructors will lead a warm up, then rotate groups around events or circuits so that students may learn their movements and positions. Parents are not allowed to stay in the facility unless there is only one coach present in the facility.

Tumble Tots – This class is similar to Tiny Tots, only with a higher expectation of the older age group. Parents are not allowed to stay in the facility unless there is only one coach present in the facility.

Pre-Rec – This class is for ages 5-6 and is the equivalent of a Level 1 class. We will introduce specific skills for this younger group, to prepare them for higher levels sooner in their preparation. Parents are not allowed to stay in the facility.

Level 1-2 – This is the beginning gymnastics class. GIRL'S classes are designed to focus attention on the four women's events – vault, uneven bars, balance beam, and floor exercise. BOY'S classes are designed to focus attention on the six men's events – floor exercise, pommel horse, rings, vaulting, parallel bars, and horizontal bar. In addition, trampoline skills, strength development, and flexibility will be integral parts of the beginner program. Parents are not allowed to stay in the facility.

Level 3-4 – This is the intermediate gymnastics class. Students are required to pass the skills and routine evaluations of the previous levels, and must possess a signed certificate showing proof of level before moving up to these classes. Parents are not allowed to stay in the facility.

Girl's, Level 1 – This class is designed for students that have never taken any type of gymnastics class or are currently a Level 1 student.

Girl's, Level 2-3 – This class is designed for advanced beginners and intermediate students. Students are required to pass the skills from their skill cards and routine evaluations of the previous level and provide a signed certificate showing proof of level before moving up to these classes. Parents are not allowed to stay in the facility unless there is only one coach present in the gymnastics facility.

Girl's, Level 4,5,6 – This class is designed for students who do not wish to do competitive gymnastics, but they want to learn more difficult skills once they have passed the skills in Level 4.

Coed, Level 3-4 – This class, for boys and girls, will introduce students to all the Olympic events, with an emphasis on the primary skills of Floor Exercise. Parents are not allowed to stay in the facility.

Learn to Flip, Beg. & Adv./Int. – These classes are designed for students who only want to focus on tumbling and the trampoline. Instructor approval is required before moving to the advanced/intermediate level. Parents are not allowed to stay in the facility.

Warm ups are essential in gymnastics. Students arriving more than 10 minutes late to class will not be allowed to participate that day.

Open Gym

CSC is offering an "open gym" program to registered participants of Santa Clara classes and to USAG registered members of local programs, ages 6 and up. Please see coach for time and location. *Parent sign-in is required.*

PARKS UPDATE

Agnews Historic Cemetery

The Agnews Historic Cemetery is a 1-acre Memorial Park that is located on Hope Drive near Lick Mill Blvd. This park will have a small museum and will house artifacts from the nearby Agnew State Hospital that was in operation for many years prior to 1900. Learn what the area looked like and view some of the artifacts that were used at the hospital many years ago. See what the 1906 earthquake did to the hospital and discover what is at that location today. The historic cemetery is under renovation until early 2008. Hours of operation to be announced. For more information, call Mission City Memorial Park at (408) 615-3790.

Reed Street Dog Park

The Reed Street Dog Park is a 1.5 acre City park that is the only City park that allows dogs to run off-leash. All other City parks require owners to have their dogs on a six foot leash at all times.

Separate fenced areas are provided at the Reed Street Dog Park for large and small dogs (small dogs are a maximum of 18" in height at the shoulder) with each area providing grassy mounds, water, benches, trees, plastic bags, garbage cans and a shade structure. Parking areas and a portable restroom are included in the park amenities. Additional park rules and regulations are posted at the park.

Hours of operation are sunrise to sunset daily, with the park closed on Thursdays for maintenance. For additional information, call the Parks & Recreation Department at (408) 615-3140.

War Memorial Playground

The opening of War Memorial Playground is the result of public input and a concern for lack of a neighborhood playground in the immediate area. Neighbors, Commissioners, and the City worked together, in cooperation with the Santa Clara Unified School District, to provide an innovative playground at 295 Monroe Street. Federal Funds from the Department of Housing and Urban Development, in the form of a Community Development Block Grant (CDBG), were allocated by the City Council for the benefit of low and moderate income families in the geographical area the park serves. The park is situated on the former War Memorial Swim Center site, just south of Elmer Johnson Field and west of Washington Baseball Field.
